MEDIA RELEASE

BRADLEY COUNTY DETECTIVES STOP FRAUD SCHEME, MAKE ARREST

Bradley County, TN (April 8, 2026) — On April 3, 2026, a Bradley County resident reported a fraud scheme after being contacted by individuals posing as bank representatives and a federal agent who claimed her accounts were compromised.

The suspects instructed the victim to withdraw cash to “secure” her funds. After she complied and turned over money at her residence, she realized it was a scam and contacted the Bradley County Sheriff’s Office.

When the suspects attempted a second pickup, detectives coordinated with the victim. On April 7, 2026, detectives were on scene when a gray Tesla arrived. The driver, identified as Tiffany Campbell of the Atlanta area, was taken into custody after investigators determined she had attempted to conceal evidence related to the pickup.

Campbell was charged with Conspiracy to Commit Theft over \$10,000. The investigation is ongoing.

Sheriff Steve Lawson urges citizens to remain vigilant and to contact law enforcement if they are ever asked to withdraw or provide cash to a stranger due to claims of a compromised account or identity, and reminds the public that no law enforcement agency will ever ask you for money.
